

Transcendence

Transcendence Of The Temporal World (Adjuster Fusion, Atonement)

ADJUSTER FUSION (ATONEMENT)

The Course in Miracles OE teaches us that death is not the only way to move on from this world. The Urantia book also teaches us the plan of adjuster fusion. At some point in the future our world will be settled in light and life. Fusion will be a common occurrence. It will be common for people to fuse instead of dying. Is the CIM-OE part of the plan to achieve this lofty goal?

The quotes below show the similarity of concepts in the UB and CIN-OE.

1. Transfer of identity

The Urantia Book describes a process of transferring our identity from our material self to our indwelling Thought Adjuster. The Course in Miracles teaches us how to transfer from perception to knowledge.

Urantia quote: Page 1229 (112:2.20) "But selfhood of survival value, selfhood that can transcend the experience of death, is only evolved by establishing a potential **transfer of the seat of the identity** of the evolving personality from the transient life vehicle — the material body — to the more enduring and immortal nature of the morontia soul and on beyond to those levels whereon the soul becomes infused with, and eventually attains the status of, spirit reality."

CIM-OE quote: Page 43.5:32 "The way to learn to know your brother is by perceiving the Holy Spirit in him. We have already said that the Holy Spirit is the **bridge or**

thought-transfer of perception to knowledge, so we can use the terms as if they were related because, in His mind, they ARE."

CIM-OE quote: 5:12 "The Holy Spirit is the mind of the atonement. It represents a state of mind that comes close enough to one-mindedness that **transfer to it is at last possible**. **Transfer** depends on common elements in the **old learning** and the **new situation** to which it is transferred. Perception is not knoledge, **but it can be transferred to knowledge**, or cross over into it. It might even be more helpful here to use the literal meaning of "**carried" over, since the last step is taken by god.**"

Fusion

Both books mention the concept of fusion of wills. Although the language differed slightly it does appear to convey a similar message.

CIM-OE quote: 5:18 "God himself keeps this will alive by transmitting it from his mind to yours as long as there is time. It is partly his and partly yours. The miracle itself is just this **fusion or union of will between father and son.**"

Urantia quote: 110:1.1 And indirectly and unrecognized the Adjuster is constantly communicating with the human subject, especially during those sublime experiences of the worshipful contact of mind with spirit in the superconsciousness.

Urantia quote: "P.538 - \$1 This is a brilliant age for ascending mortals and usually witnesses the **perfect fusion of the human mind and the divine Adjuster**.

Bridge

The bridge concept refers to the transfer from perception to knowledge according to the CIM-OE. Jesus referred to himself as the living bridge from one world to another. The UB also refers to the idea of a bridge between intellect(Ego?) and positive

affirmations of the soul (Adjuster?).

Urantia quote: 182:1.24 "I am the living **BRIDGE** from one world to another." This is part of a prayer by Jesus from the Urantia book.

CIM-OE quote: 16:42 "The **bridge** that He would carry you across lifts you from **time into eternity**. Waken from time, and answer fearlessly the call of Him Who gave eternity to you in your creation."

CIM-OE quote: 16:63 "**Across the bridge**, it is so different! For a time the body is still seen, but not exclusively, as it is seen here. For the little spark which holds the great rays within it is also visible, and this spark cannot be limited long to littleness. Once you have **crossed the bridge**, the value of the body is so diminished in your sight, that you will see no need at all to magnify it. For you will realize that the only value which the body has is to enable you to bring your brothers to the bridge with you, and to be released together there."

Urantia Quote 196:3.1 Religious faith—the positive leading of the indwelling divine presence—unfailingly enables the God-knowing man to **bridge that gulf** existing between the intellectual logic which recognizes the Universal First Cause as *It*, and those positive affirmations of the soul which aver this First Cause is *He*, the heavenly Father of Jesus' gospel, the personal God of human salvation.

We can elect to stay behind after fusion status

Urantia: 55:3.18 5. Mortals of Adjuster-fusion status who, **upon their own petition, are temporarily exempted from translation** by the order of the Personalized Adjuster of universe chieftainship in order that they may continue on the planet in certain important administrative posts.

CIM-OE: 63 Across the bridge, it is so different! For a time the body is still seen but not exclusively, as it is seen here. For the little spark which holds the Great Rays within it is also visible, and this spark cannot be limited long to littleness. Once you have crossed the bridge, the value of the body is so diminished in your sight that you will see no need at all to magnify it. For you will realize that **the only value which the body has is to enable you to bring your brothers to the bridge with you and to be released together there.**

The spark (adjuster?) of life lives in the mind.

CIM-OE: The power of one mind can shine into another because all the lamps of God were lit by the same **spark**. It is everywhere, and it is eternal. In many only the spark remains, for the Great Rays are obscured. Yet God has kept the **spark** alive so that the rays can never be completely forgotten. If you but see the little **spark**, you will learn of the greater light, for the rays are there unseen. Perceiving the SPARK will heal, but knowing the light will create. Yet in the returning, the little light must be acknowledged first, for the separation was a descent from magnitude to littleness. But the **spark** is still as pure as the great light because it is the remaining call of creation. Put all your faith in it, and God Himself will answer you.

Urantia: 132:3.6 Faith acts to release the superhuman activities of the divine **spark**, the immortal germ, that lives within the mind of man, and which is the potential of eternal survival. Plants and animals survive in time by the technique of passing on from one generation to another identical particles of themselves. The human soul (personality) of man survives mortal death by identity association with this indwelling SPARK of divinity, which is immortal, and which functions to perpetuate the human personality upon a continuing and higher level of progressive universe existence.

Thought Adjuster conterparting eternal

memories .

UB 108:6.5."These faithful custodians of the future career unfailingly duplicate every mental creation with a spiritual counterpart; they are thus slowly and surely re-creating you as you really are (only spiritually) for resurrection on the survival worlds. And all of these exquisite spirit re-creations are being preserved in the emerging reality of your evolving and immortal soul, your morontia self. These **realities** are actually there, notwithstanding that the Adjuster is seldom able to exalt these duplicate these **creations** sufficiently to exhibit them to the light of consciousness."

CIM-OE: "**Your creations** are protected for you because the Holy Spirit, Who is in your mind, knows of them and can bring them into your awareness whenever you will let Him. They are there as part of your own being because your fulfillment includes them."

CIM-OE Ch 6: "Whatever is in accord with this light, He retains to strengthen the Kingdom in you. What is partly in accord with truth, He accepts and purifies. But what is out of accord entirely, He rejects by judging against."

Urantia: 110:2.4. Adjusters work in the spheres of the higher levels of the human mind, unceasingly seeking to produce morontia duplicates of **every concept** of the mortal intellect.

CIM-OE: 70 Every loving thought that the Son of God ever had is eternal. Those which his mind perceived in this world are the world's only reality. They are still perceptions because he still believes that he is separate. Yet they are eternal because they are loving. And being loving, they are like the Father and therefore cannot die. The real world can actually be perceived.

CIM-OE quote: "In your mind, and your mind only, He sorts out the true from the false and teaches you to judge every thought that you allow to enter your mind in the light of what God put there. Whatever is in accord

with this light, He retains to strengthen the Kingdom in you. What is partly in accord with truth, He accepts and purifies. But what is out of accord entirely, He rejects by judging against. This is how He keeps the Kingdom perfectly consistent and perfectly unified."

Conflict of transcendence

Urantia: Forewarn all believers regarding the fringe of conflict which must be traversed by all who pass from the life as it is lived in the flesh to the higher life as it is lived in the spirit. To those who live quite wholly within either realm, there is little conflict or confusion, but all are doomed to experience more or less uncertainty during the times of transition between the two levels of living. In entering the kingdom, you cannot escape its responsibilities or avoid its obligations, but remember: The gospel yoke is easy and the burden of truth is light.

CIM-OE: The way out of conflict between two opposing thought systems is clearly to choose one and relinquish the other. If you identify with your thought system, and you cannot escape this, and if you accept two thought systems which are in complete disagreement, peace of mind is impossible.

The human mind does not well stand the conflict of double allegiance. It is a severe strain on the soul to undergo the experience of an effort to serve both good and evil. The supremely happy and efficiently unified mind is the one wholly dedicated to the doing of the will of the Father in heaven. 133:7.12

Description of the adjuster within

CIM OE: 31 There is a place in you where this whole world has been forgotten, where no memory of sin and of illusion lingers still. There is a place in you which time has left, and echoes of eternity are heard. There is a resting place so still no sound except a hymn to Heaven rises up to gladden God the Father and the Son. Where both abide are They remembered, both. And where

They are is Heaven and is peace. Think not that you can change Their dwelling place. For your Identity abides in Them, and where They are, forever must you be.

Sonship

GOD THE SUPREME - SONSHIP

God the Supreme is the God of time and space. He is evolving but it is important to remember there will come a time when God the Supreme will be complete. There will be no need for time since all potentials will be exhausted in time. The seven super universes will be settled in light and life and The Almighty Supreme will flash into existence all at once.

At that moment we will all simultaneously discover God the Almighty Supreme. This is also the concept spoken of in CIM-OE when referring to the Sonship. To understand the course's perspective on Sonship and time it is important to understand the Urantia books concept of God the Supreme and our part in it. They both say the same thing. To us time seems to be our only reality. But time and space are just mechanisms designed to limit our free will response until we mature as a culture. Our minds have the power to discover spirit and identify with that spirit now. Our culture and our beliefs about time hold us back. Jesus gave us his course to help us identity with spirit reality now if we choose. He is telling Helen about God the Supreme only he refers to it as the Sonship. It is a top down perspective, a fatherly perspective of the whole. To perceive everyone as part of God the Supreme and an integral part of him is a fatherly perspective. The goal of the Supreme is the goal of the individual. The values of the Supreme are our potential eternal values. Jesus goal is to get his creation settled in light and life and eventually to become part of The Almighty Supreme. I've listed a few comparisons below.

Each of us personally **adds one more degree** to the **Sonship** or God the Supreme. We are each an **integral part** of the whole Sonship.

CIM-OE quote: "If all the Souls God created are His Sons, then every soul must be **an integral part** of the whole Sonship.

Urantia quote: Page 1287 Paragraph 4 (117:0.4) "when an ascending mortal personality finally attunes to the divine leading of the indwelling Adjuster, then has the actuality of the Supreme become **real by one more degree** in the universes; then has the divinity of **supremacy advanced one more step** toward cosmic realization."

Jesus describes the Sonship as the **sum of all souls** created by God. The Urantia book describes the Supreme as the **sum total of all finite growth** or the synthetic **cumulative total**.

CIM-OE quote: "Miracles make Souls one in Christ. They depend on

cooperation because the **Sonship is the sum of all the souls God created.**"

Urantia quote: "The far-flung diversification of eternal energy, divine spirit, and universal mind attains finite culmination in the evolution of the **Supreme, who is the sum total of all finite growth,**"

Urantia quote: "The parts and individuals of the grand universe evolve as a reflection of the total evolution of the Supreme, while in turn the **Supreme is the synthetic cumulative total** of all grand universe evolution."

The Urantia book says we will only know GOD THE SUPREME when we all **simultaneously discover him together.** CIM-OE says the Sonship will not be complete until all the **parts of the Sonship have returned.**

CIM-OE quote: "The Sonship in its oneness does transcend the sum of its parts. However, this is obscured **as long as any of its parts are missing.** That is why the conflict cannot ultimately be resolved **until all the parts of the Sonship have returned.** Only then can the meaning of wholeness, in the true sense, be fully understood."

CIM-OE quote: "Your brother is the mirror in which you will see the image of yourself as long as perception lasts. And perception will last **until the Sonship knows itself as whole.**

Urantia quote: "God the Father can be found by any individual who has attained the divine level of Godlikeness, but **God the Supreme** will never be personally discovered by any one creature until that far-distant time when, through the universal attainment of perfection, **all creatures will simultaneously find him.**"

Urantia quote: "But no single ascender will ever find the **Supreme** until all ascenders have reached that maximum universe maturity which qualifies them **simultaneously to participate in this discovery.**"

The Urantia book says the **growth of God the Supreme will come to an end** and with it an end to creature evolution. We will have exhausted all potential in time and space. CIM-OE says time is a teaching device and **will end when learning is complete.**

CIM-OE quote: "The purpose of time is to enable man to learn to use it constructively. Time is thus a teaching device and a means to an end. **It will cease when it is no longer useful** in facilitating learning."

CIM-OE quote: "What is the face of Christ but his who went a moment into timelessness and brought a clear reflection of the unity he felt an instant back

to bless the world?"

CIM-OE quote: "So do the parts of God's Son gradually join in time, and with each joining is **the end of time brought nearer.**"

CIM-OE quote: "Everyone seen without the past thus brings you nearer to the **end of time** by bringing healed and healing sight into the darkness and enabling the world to see."

Urantia quote: "**There will come an end** sometime to the growth of the Supreme; his status will achieve completion (in the energy-spirit sense). This termination of the evolution of the Supreme will also witness the ending of creature evolution as a part of Supremacy."

Urantia quote: "We have long held, however, that the present growth which characterizes creature existence in the present universe age is a function of the Supreme. We equally hold that this kind of growth is peculiar to the age of the growth of the Supreme, and that **it will terminate with the completion** of the growth of the Supreme."

When we return to the Supreme it will be like remembering an ancient song, like returning home.

Urantia quote: "The Supreme is your universe home, and when you find him, it will be like returning home"

CIM-OE quote: " Listen and see if you remember an ancient song you knew so long ago and held more dear than any melody you taught yourself to cherish since."

Notes for discussion

It makes sense that when we share the adjusters "history" we will remember a kind of past-eternity memory. After all, we become one with the Adjuster.

Urantia: 112:7.1 Thought Adjuster fusion imparts eternal actualities to personality which were previously only potential. Among these new endowments may be mentioned: fixation of divinity quality, **past-eternity experience and memory**, immortality, and a phase of qualified potential absoluteness

Urantia: 112:7.8 But the fused individual is really one personality, one being, whose unity defies all attempts at analysis by any intelligence of the universes. And so, having passed the tribunals of the local universe from the lowest to the highest, none of which have been able to identify man or

Adjuster, the one apart from the other, you shall finally be taken before the Sovereign of Nebadon, your local universe Father. And there, at the hand of the very being whose creative fatherhood in this universe of time has made possible the fact of your life, you will be granted those credentials which entitle you eventually to proceed upon your superuniverse career in quest of the Universal Father.

Jesus communicated Urantia book concepts to the Christian community. He used the bible as a reference and appealed to the Christian crowd. In a sense, the Course in Miracles is a bridge between Christianity and the Urantia book. How cool is it to have a record of a personal communication between Jesus, Helen and Bill that communicates Urantia book concepts. It will bring the Urantia and Course community together.

CIM-OE: The full power of creation cannot be expressed as long as any of God's ideas withhold it from the Kingdom. THE JOINT WILL OF ALL THE SONSHIP IS THE ONLY CREATOR THAT CAN CREATE LIKE THE FATHER because only the complete can think completely, and the thinking of God lacks nothing.

Forgiveness

FORGIVENESS

Forgiveness of love destroys the sin. What is the difference between the forgiveness of love versus the forgiveness of mercy?

Do we destroy evil by not believing in it? A pardon is forgiveness of mercy. It recognizes sin and puts it to one side. (You are guilty but I will let you slide) Forgiveness of love doesn't see sin(condemnation) but instead sees lack of love.

Urantia: 188:5.2 Divine love does not merely forgive wrongs; it absorbs and actually destroys them. the forgiveness of love utterly transcends the forgiveness of mercy. Mercy sets the guilt of evil-doing to one side; but love destroys forever the sin and all weakness resulting therefrom. Jesus brought a new method of living to Urantia. He taught us not to resist evil but to find through him a goodness which effectually destroys evil. The forgiveness of Jesus is not condonation; it is salvation from condemnation. Salvation does not slight wrongs; it makes them right. True love does not compromise nor condone hate; it destroys it. The love of Jesus is never satisfied with mere forgiveness. The Master's love implies rehabilitation, eternal survival. It is altogether proper to speak of salvation as redemption if you mean this eternal rehabilitation.

What is the difference between pardon and forgiveness? Forgiveness destroys sin. Pardon puts it to one side and preserves the proof of its existence.

CIM-OE: To witness sin and yet forgive it is a paradox which reason cannot see. For it maintains what has been done to you deserves no pardon. And by giving it, you grant your brother mercy but retain the proof he is not really innocent. The sick remain accusers. They cannot

forgive their brothers and themselves as well. For no one in whom true forgiveness reigns can suffer. He holds not the proof of sin before his brother's eyes. And thus he must have overlooked it and removed it from his own. Forgiveness cannot be for one and not the other. Who forgives is healed. And in his healing lies the proof that he has truly pardoned and retains no trace of condemnation that he still would hold against himself or any living thing.

Forgiveness has already been accomplished.

CIM-OE: 88 When you have let all that obscured the truth in your most holy mind be undone for you and stand in grace before your Father, He will give Himself to you as He has always done. Giving Himself is all He knows, and so it is all knowledge. For what He knows not cannot be and therefore cannot be given. ask not to be forgiven, for this has already been accomplished. Ask, rather, to learn how to forgive and restore what always was to your unforgiving mind. Atonement becomes real and visible to them that use it. On earth this is your only function, and you must learn that it is all you want to learn.

Urantia: 146:2.4 Even the forgiveness of sin operates in this same unerring fashion. the father in heaven has forgiven you even before you have thought to ask him, but such forgiveness is not available in your personal religious experience until such a time as you forgive your fellow men. God's forgiveness in fact is not conditioned upon your forgiving your fellows, but in experience it is exactly so conditioned. And this fact of the synchrony of divine and human forgiveness was thus recognized and linked together in the prayer which Jesus taught the apostles.

Real vs Unreal

WHAT IS UNREAL VERSUS REAL FROM A SPIRIT PERSPECTIVE

To spirit, the material world seems unreal. To material eyes, spirit seems unreal. In time we only become real to the eternal perspective as we identify ourselves with eternal realities. Both books refer to our temporal self as unreal from the spirit perspective. We are only potential until we identify with spirit.

1. To identify with sin is to become unreal from the eternal perspective.

Urantia quote: 2:6.8 "Such a sin-identified mortal would then become wholly unspiritual in nature (and therefore personally unreal)" and would experience eventual extinction of being. Unreality, even incompleteness of creature nature, cannot exist forever in a progressively real and increasingly spiritual universe.

JCIM quote: "You cannot distort reality and know what it is. And if you do distort reality, you will experience anxiety, depression, and ultimately panic, because you are trying to make yourself unreal."

Urantia quote: 160:4.13 "Never hesitate to admit failure. Make no attempt to hide failure under deceptive smiles and beaming optimism. It sounds well always to claim success, but the end results are appalling. Such a technique leads directly to the creation of a world of unreality" JCIM quote: "Fantasies of any kind are distorted forms of thinking because they always involve twisting perception into unreality."

2. Jesus referred to material reality as unreal and fleeting shadow of spirit reality.

Urantia quote: 174:0.2 "Jesus's own words to Simon Zelotes. "Seek the true realities of the spirit and cease to be attracted by unreal and material shadows."

Urantia quote: 151:3.3 "He (Jesus) frequently alluded to the natural as "the unreal and fleeting shadow of spirit realities."

JCIM quote: "Then try to go past all the unreal thoughts that cover the truth in your mind, and reach to the

eternal."

JCIM quote: "Reality can dawn only on an unclouded mind. It is always there to be accepted, but its acceptance depends on your willingness to have it. To know reality must involve the willingness to judge unreality for what it is. This is the right use of selective perception."

Urantia quote: 130:1.5 Jesus said "My brother, God is love; therefore he must be good, and his goodness is so great and real that it cannot contain the small and unreal things of evil."

Urantia quote: 2:3.2 The greatest punishment (in reality an inevitable consequence) for wrongdoing and deliberate rebellion against the government of God is loss of existence as an individual subject of that government. The final result of wholehearted sin is annihilation. In the last analysis, such sin-identified individuals have destroyed themselves by becoming wholly unreal through their embrace of iniquity.

3. Other miscellaneous unreal references of spirit vision.

Urantia quote: 44:0.15 "All these activities of the morontia and spirit worlds are real. To spirit beings the spirit world is a reality. To us the material world is the more unreal."

JCIM quote: "The inappropriate emphasis men have put on beautiful church buildings is a sign of their fear of Atonement and their unwillingness to reach the altar itself. The real beauty of the temple cannot be seen with the physical eye. The spiritual eye, on the other hand, cannot see the building at all because it has perfect sight. It can, however, see the altar with perfect clarity." Urantia quote: "To material beings the spirit world is more or less unreal; to spirit beings the material world is almost entirely unreal, being merely a shadow of the substance of spirit realities.,," Urantia quote: 115:1.2 Conceptual frames of the universe are only relatively true; they are serviceable scaffolding which must eventually give way before the expansions of enlarging cosmic comprehension.

Relation Of Time To Miracles

THE RELATION OF TIME TO MIRACLES

Another similarity is the relationship between time and miracles. Both books say the miracle shortens or eliminates time.

1. Urantia quote: 136:1.3 "It therefore becomes evident that any possible supernatural or supposedly superhuman accompaniments of Jesus' ministry pertained wholly to the elimination of time unless the Father in heaven specifically ruled otherwise."

JCIM quote: "The miracle thus has the unique property of shortening time by rendering the space of time it occupies unnecessary."

Urantia quote: 136:1.3 "No limits, of course, could be placed upon the manifestations of "the Father's will." the elimination of time in connection with the expressed desire of this potential Sovereign of a universe could only be avoided by the direct and explicit act of the will of this God-man to the effect that time, as related to the act or event in question, should not be shortened or eliminated. In order to prevent the appearance of apparent time miracles, it was necessary for Jesus to remain constantly time conscious."

JCIM quote: "The miracle is a learning device which lessens the need for time."

Urantia quote: 152:2.10 "In this case, so we were taught, Michael multiplied food elements as he always does except for the elimination of the time factor and the visible life channel."

JCIM quote: "miracles therefore rest on the laws of eternity, not of time."

JCIM quote: "The miracle, as an expression of true human charity, can only shorten time at most. It must be understood, however, that whenever a man offers a miracle to another, he is shortening the suffering of both"

Identify With Spirit

IDENTIFY WITH SPIRIT REALITY

JCIM says it is a course in mind training. It is attempting to help us lesson the focus on material reality and strengthen the focus on spirit reality in our minds. This process of using our minds to identify with spirit reality is a process encouraged by the Urantia book and Jesus Course In Miracles. These quotes highlight the similarity in mind identification. The process consists of the mind transitioning from identification with material reality to identification with spirit reality.

1. The Adjuster is at the center of our thought system.

JCIM quote: 71 What you must understand is that when you do not share a thought system, you are weakening it. Those who believe in it therefore perceive this as an attack on them. This is because everyone identifies himself with his thought system, and every thought system centers on what you believe you are. If the center of the thought system is true, only truth extends from it. But if a lie is at its center, only deception proceeds from it.

Urantia quote: 143:7.8 "Worship is the act of a part identifying itself with the Whole; the finite with the Infinite; the son with the Father; time in the act of striking step with eternity." Urantia quote: 132:3.10 "whereas prayer becomes the great unifier of the various inspirations of the creative imagination and the faith urges of a soul trying to identify itself with the spirit ideals of the indwelling and associated divine presence."

2. Do we identify with the Ego or the indwelling Adjuster?

JCIM quote: 49 You who identify with your egos cannot believe that God loves you.

Urantia quote: 2:6.8 The love of God saves the sinner; the law of God destroys the sin. This attitude of the divine nature would apparently change if the sinner finally identified himself wholly with sin just as the same mortal mind may also fully identify itself with the indwelling spirit Adjuster.

Urantia quote: 118:7.5 Only as a creature becomes God-identified, does he become truly real in the universes.

3. When we live in two thought systems we experience conflict.

JCIM quote: The way out of conflict between two opposing thought systems is

clearly to choose one and relinquish the other. If you identify with your thought system, and you cannot escape this, and if you accept two thought systems which are in complete disagreement, peace of mind is impossible. If you teach both, which you will surely do as long as you accept both, you are teaching conflict and learning it.

Urantia quote: 159:3.7 Forewarn all believers regarding the fringe of conflict which must be traversed by all who pass from the life as it is lived in the flesh to the higher life as it is lived in the spirit. To those who live quite wholly within either realm, there is little conflict or confusion, but all are doomed to experience more or less uncertainty during the times of transition between the two levels of living. In entering the kingdom, you cannot escape its responsibilities or avoid its obligations, but remember: The gospel yoke is easy and the burden of truth is light. JCIM quote: 30. 41 Miracles praise God through men. They praise God by honoring His creations, affirming their perfection. They heal because they deny body-identification and affirm Soul-identification. By perceiving the spirit, they adjust the levels and see them in proper alignment. This places the spirit at the center, where Souls can communicate directly.

4. True “identification is with the Father and with the Son”. We “identify the self with the universe” and offer “service of the universe family of fellow beings”.

JCIM quote: When you imprison yourself, you are losing sight of your true identification with me and with the Father. Your identification is with the Father and with the Son. It cannot be with one and not the other. If you are part of one, you must be part of the other because they are one.

Urantia quote: 5:4.3 All nonreligious human activities seek to bend the universe to the distorting service of self; the truly religious individual seeks to identify the self with the universe and then to dedicate the activities of this unified self to the service of the universe family of fellow beings, human and superhuman.
